

Business ethics

1

**We run our business relationships
based on respect for others
and expect our business clients
and partners to do the same.**

2

**Business with our clients
and partners are based on honesty,
when a mistake is made by us
we admit it and we ask and assume
we receive the same from others.**

3

**In business with people and companies
we comply with the law,
operate accurate accounting
and we renounce corruption
and we will not be corrupted.**

4

**We honour contracts and promises
fulfilling all of our promises
to the best of our abilities,
even if it turns out to be unfavourable
for us and expect that others
to give up unauthorized benefits.**

5

We work hard and persistently
with professionalism, punctuality,
never give up from achieving
the intended goal
and we are looking for
such business partners.

6

We value a friendly atmosphere,
welcome you with smiles
and politeness, we believe
it affects our behaviour
and of our business
and private contact.
